## Employment

FULL-TIME: **TARKETT S.A.**

**2012**

I have worked in Sale Administration department. I was in charge of exportation and customer's billing. According to the products shipped, invoices had to be shipped from France or Luxembourg. Expedition and billing has to be generated exclusively on SAP.

**TARKETT S.A.**

**2011**

Freshly graduated by a HND in International Trade, I worked in Tarkett's exportation department where I was in charge of exportation for Greece, Cyprus and Malta. All the exportation operation has to be treated on SAP and where shipped by truck.

**VAUCHE S.A.**

**2011**

I had to do a work placement of 8 weeks in an exportation department during my 2<sup>nd</sup> year of HND in international trade. I was in charge of the reception of international notice of tender and preparation of shipment.

**NUGA BEST LTD.**

**2010**

During my first year of HND, I had to do a work placement in company which was located in a foreign country. So I did my work placement in London during 3 month in a massage shop. I was in charge of canvassing and customer care.
